## JANUARY 2021 NEWSLETTER

### BOOK STUDIES

Rev Kerri has selected books for the first quarter of the year. The book choices are in keeping with the themes of exploring diversity, truth and reconciliation, and discovering how to become allies. Two of them also include biblical study, which I know some folks have been missing!

**Love Lives Here** by Amanda Jetté Knox  
(available at Chapters, curbside pickup or delivery)  
**January 18 & 25**

**Me and White Supremacy**  
(available Chapters or Amazon)  
**February 1, 8, 22**

**Defiant: The Women of Exodus**  
(Kobo version available at Chapters,  
or Kindly at Amazon, or through Octopus Books)  
**March 8 15, 22**

**Unsettling the World: Biblical Experiments in Decolonization**  
(available through CommonWord  
<https://www.commonword.ca/ResourceView/82/19793>)  
**April 12, 19, 26.**

The book study will continue online via Zoom for the foreseeable future unless something wonderfully drastic changes! We meet at 7:00p.m. and the link will always remain the same:
