Follow along with the service [bulletin](#).

Apologies for an error that caused problems with our church website last week.

A reset wiped out all my weekly updates and these were not updated again till late Saturday night.

Sorry for any confusion this caused.

Sam.

ACW Fundraiser

The ACW raised \$245 from the sale of their rhubarb crisps this Spring and all proceeds will go to the Odawa Friendship Centre.

A big shout out and Congratulations to our 2020 high school Graduates!

They've been able to miss out on final exams but they've also had to miss out on prom and actual graduation ceremonies. Covid isolation is not the way they wished to graduate, I'm sure, so let us celebrate their accomplishments and wish them great success in their new adventure!

Isabella MacKay is the 2020 recipient of the Terry Fox Humanitarian Award.

This award is granted to post-secondary students who possess and "demonstrate perseverance and determination in the face of adversity. Isabella is a continual volunteer and active participant in the life of our parish, as a server and as a tender of our gardens. She begins studies in September at the University of Ottawa in Biomedical Science.

Lauren Paré finished grade 12 strong and is celebrating her success with entrance to Algonquin College for Photography!

Lauren participated in the Diocesan Youth Internship Program this year, serving at Lee Valley Tools in the marketing and communications department as a photography studio assistant. When COVID isolation began, she had to adjust and has been documenting the pandemic through pictures and video. We will share her final product once completed.

Please join in congratulating our graduates, know that we celebrate the graduates in your family and hold them tightly as they grapple with the complexities of disappointment & excitement, endings & new beginnings!

If we have missed a graduate in our parish, please message Rev. Kerri and share their story!
