Weekly Update - September 17, 2020

From Rev. Kerri...

Orange Shirt Day

September 30 is [Orange Shirt Day: Every Child Matters](#). It is an opportunity to do your part to learn, and encourage others to learn about the true history of Canada's First Peoples.

To learn more about Orange Shirt Day, here is a short video from Phyllis Webstad, a residential school survivor from Dog Creek First Nation in British Columbia. Her [story](#) is where Orange Shirt day started.

You are invited to don your orange shirt on September 30. Consider taking a picture and share it to our St James social media (Facebook, Twitter or Instagram).

We are also working on confirming a guest speaker to join us on Sunday, September 27 to commemorate the day. I look forward to confirming shortly.

Recipes, Cooking, and Breaking Bread through Covid...

With not all of us able to come back to church in person yet, we remain a community unable to fully wholly gather around the Table and break bread. We're also missing hospitality in a familiar, recognizable way.

Until we're in a position to do that again - gather all together and break bread together - I'm inviting you to send [me](#) your favourite recipes. Include any stories that accompany the recipe, any special notes for the "chef" and what makes it your favourite. I'll choose a recipe each week to make and will share the recipe (and results) with the congregation to also make at home at the same time. It won't be the same, I know. But...maybe cooking and eating some of our favourite foods together will remind us that we are all knit together by more than physical space.
